

INTERNSHIP OFFER LETTER

IEEE SMC Student Branch Chapter | KGEC | Research Internship Programme 2026

Ref. No.: IEEE-SMC/KGEC/RI2026/039

Date: _____13/05/2026_____

Dear Deep Shekhar Halder ,

It is with great pleasure and pride that we extend this formal offer of internship to you on behalf of the IEEE SMC Student Branch Chapter, Kalyani Government Engineering College (KGEC). After a rigorous selection process comprising application screening and personal interviews, you have distinguished yourself as one of the most promising candidates among a highly competitive pool of applicants. We are truly delighted to welcome you to the **Research Internship Programme 2026**.

This programme is jointly organized by the IEEE SMC Student Branch Chapter, KGEC, in collaboration with the **IEEE SMC Kolkata Chapter** and the **IEEE Kolkata Section** — two of the most distinguished bodies within the IEEE community in Eastern India. Together, we are committed to nurturing the next generation of researchers, engineers, and innovators who will shape the technological landscape of tomorrow.

Your application reflected not only strong academic credentials and a commendable CGPA, but also a genuine curiosity for research and a drive to solve real-world problems through technology. These are precisely the qualities we look for in our interns, and we have every confidence that you will make meaningful contributions during your time with us.

The Research Internship Programme 2026 is designed to be an immersive, research-first experience. Over the course of three months, you will work closely with experienced faculty members and domain researchers, explore cutting-edge problems in your chosen research track, and receive dedicated mentorship aimed at elevating both the depth and quality of your academic work. This is not merely an internship — it is an opportunity to think, question, experiment, and grow as a researcher.

This letter constitutes your **official offer of internship**. We kindly request you to read through all the terms, conditions, and programme guidelines outlined in the subsequent sections with due care and attention before formally accepting this offer. Your acceptance will be taken as an acknowledgement of, and agreement to, all the stated terms.

Throughout the programme, you will have the opportunity to engage in technical discussions, research reviews, mentorship interactions, and collaborative problem-solving sessions with peers and mentors from diverse academic backgrounds. We strongly believe that such an environment not only enhances technical expertise, but also cultivates the analytical mindset, scientific temperament, and professional discipline essential for succeeding in higher studies, industrial research, and advanced technological development.

Once again, congratulations on this well-deserved selection. We look forward to embarking on this research journey with you and are excited to see the work you will produce.

INTERNSHIP DETAILS

Duration	3 Months
Mode	Online
Commitment	8 – 10 hours per week
Commencement Date	15/05/2026
Completion Date	14/08/2026
Internship Stipend	Unpaid
Fees	FREE OF COST
Mentorship	Experienced Faculty & Researchers and Industry Professionals

BENEFITS & LEARNING OUTCOMES

- Research mentorship from experienced faculty and domain experts
- Structured guidance on academic paper writing and documentation
- Guidance for potential research publication may be provided; however, publication, acceptance, authorship, or financial support is not guaranteed by the organization.
- Hands-on engagement with real-world research problems and datasets
- Networking opportunities within the IEEE SMC community

CERTIFICATION

Upon successful completion of the internship, you will be eligible for certification from the following bodies, subject to performance evaluation and compliance with programme guidelines:

- IEEE SMC Student Branch Chapter, KGEC
- IEEE SMC Kolkata Chapter

Important Notice: This is a research-focused internship. Publication in journals or conferences is NOT guaranteed. High-quality work will be actively guided towards reputed publication venues.

1. The organization reserves the right to withhold certification in cases of plagiarism, unethical conduct, prolonged inactivity, non-compliance with programme requirements, or unsatisfactory performance.
2. Outstanding interns demonstrating exceptional research aptitude, innovation, leadership, and technical contribution may receive special recognition, recommendation letters, or opportunities for advanced research collaboration, subject to mentor evaluation.

3. Participation certificates shall be generated digitally and may include unique verification identifiers, authorized signatures, and official organizational endorsement.
4. Interns contributing significantly to collaborative research projects may be considered for acknowledgement or co-authorship opportunities strictly based on merit, contribution quality, and academic standards followed by the supervising mentors and organization.
5. Completion of the internship programme does not guarantee publication, funding, employment, or future organizational affiliation.

TERMS & CONDITIONS

Please read the following terms carefully. Acceptance of this offer letter constitutes full and unconditional agreement to all clauses stated herein.

- A **minimum attendance of 75% in all scheduled sessions, mentor meetings, and review discussions** is mandatory throughout the internship duration.
- Submission of a comprehensive **final research/project report** and all assigned deliverables is compulsory for successful completion and certification.
- Interns are expected to maintain the highest standards of **academic honesty, professional conduct, and compliance with the Institute of Electrical and Electronics Engineers Code of Ethics** throughout the programme.
- Any form of **plagiarism, fabrication of results, misconduct, indiscipline, or violation of programme** guidelines may result in immediate termination of the internship and forfeiture of certification privileges.
- Interns **shall not disclose, reproduce, distribute, or misuse any confidential research material, unpublished work, source code, datasets, meeting discussions, or organizational documents** shared during the programme without prior written authorization.
- The organization **reserves the right to modify internship schedules, project allocations, mentor assignments, evaluation criteria, or programme structure** whenever deemed necessary for administrative or academic purposes.
- The organization reserves the right to terminate the internship of any participant at any stage in cases of **prolonged inactivity, unsatisfactory performance, unethical behavior, breach of confidentiality, or non-compliance with programme policies**.
- All work, reports, models, source code, presentations, research outcomes, and intellectual contributions developed during the internship as part of assigned projects **shall remain subject to the intellectual property and publication policies of the organization** unless otherwise stated in writing.
- Issuance of internship certificates, recommendation letters, acknowledgements, or publication credits **shall be solely at the discretion of the organization based on the intern's performance, contribution quality, discipline, and successful completion** of programme requirements.
- Participation in this **internship programme does not constitute an offer of employment, guaranteed placement, stipend entitlement, or future association with the organization.**
- Interns are required to **use organizational communication platforms responsibly and maintain professional etiquette** in all official meetings, emails, discussion groups, and collaborative environments.
- The organization may **use non-confidential project outcomes, participation records, photographs, or event-related materials** for academic, research, reporting, promotional, or documentation purposes.

ACCEPTANCE OF OFFER

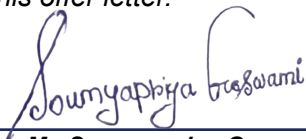

To formally accept this internship offer, please sign and return a scanned or digital copy of this letter to **ieeesmckgec@gmail.com** within **2 (two) working days** from the date of issue of this letter. Kindly use the subject line: "Acceptance – Research Internship 2026 | [Your Full Name]" while sending your response.

Please note that failure to respond within the stipulated time period shall be construed as a declination of the offer, and the position may subsequently be withdrawn and extended to the next eligible candidate on the merit list without further notice. No extension of the acceptance deadline shall be granted unless expressly approved in writing by the Internship Coordinator.

By signing below, all parties acknowledge and affirm their respective roles, responsibilities, and agreement to the terms outlined in this offer letter.
